Students who have been bullied or cyber bullied shall promptly report such incidents to any staff member.

Complaints of bullying or cyber bullying shall be investigated promptly, and corrective action shall be taken when a complaint is verified. Neither reprisals nor retaliation shall occur as a result of the submission of a complaint.

Each student shall be responsible to respect the rights of his/her fellow students and to ensure an atmosphere free from all forms of bullying and cyber bullying.

Students shall be encouraged to report bullying or cyber bullying complaints to any staff member.

Any staff member who receives a bullying or cyber bullying complaint shall gather information or seek administrative assistance to determine if bullying or cyber bullying has occurred. The building principal or his/her designee will inform the parents or guardians of the victim and also the parents or guardians of the accused.

Complaint Procedure

A student shall report a complaint of bullying or cyber bullying, orally or in writing, to a staff member. If a parent initiates the complaint, the appropriate staff member will follow-up with the student.

The staff member will either gather the information or seek administrative assistance to determine if the alleged bullying or cyber bullying conduct occurred.

After the information has been gathered, the building principal shall be notified of the complaint. The building principal will determine the need for further investigation or the appropriate intervention, which may result in administrative discipline to ensure that the conduct ceases. If the behavior is found to meet the definition of bullying or cyber bullying, the building principal must complete the appropriate written documentation.

A violation of this Policy shall subject the offending student to appropriate disciplinary action, consistent with the student discipline code, which may include suspension, expulsion or notification to the appropriate law enforcement authorities.
